

Submitter: Griffin Zeller

On Behalf Of: Griffin Zeller Portland Resident

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is an absolutely insane bill. How does this do anything then support the status quo, it leaves people in Portland who pay far to much to live here to continue to be harrassed, victim of theft, and be terrorized by these people. The far better thing would adequately fund services so these people can get off the streets, or better yet make them go to shelters. There is no reason the tax paying citizens of Portland should have to deal with squalor, filth, and hell every day. Who wants to live in a place where free reign to do whatever you want is okay.
