Committee: House Committee On Housing and Homelessness

Measure: HB3501

All of you in support of this please quit. You are the reason Oregon has and continues to fail. All the time you have and this is the dog crap your working on. Leave and recognize that you should not hold your position here or anywhere in this country. You are all a disgrace, and I would rather our tax paying dollars go to relocation of you before moving forward with this horrendous "bill".
