

Submitter: chris berlin

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill just makes a chronic public nuisance permanent instead of creating a solution. I cannot imagine anybody being party to the proposal of this bill as having any concern for the future attraction of this state to anyone but dropouts, drug addicts and permanent welfare cases. If this passes none of you will be receiving any of my tax contributions because I will leave my home state and never return. Or maybe that is the plan?
