

Submitter: Sean Battles

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill is a terrible idea, the homeless already dominate the landscape all over the city, and this bill would allow them to build permanent hardened unsafe structures in every public space. Where are the parks for the citizens of Portland? Where will kids play, where will people walk their dogs? This is just one more misguided step on the road to building an absolute dystopia.
