On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I oppose HB 3501 due to the lack of safety and livability our city and county is already facing. Do not enable homelessness even more with this bill by continuing to allow people to struggle and suffer on our streets. Create services and support to get people in treatment and mental health services. They deserve that. They do not deserve to be enabled any longer and encouraged to live in these inhumane ways on our streets.
