Measure: SB27

I write to oppose SB 27 and challenge you to do something transparent. This is a smokescreen and delaying tactic. Until the wording says, "AUDIT the voter rolls and remove people who have moved, who have died, who are not citizens, or receive ballots at two addresses (as, students), the public will continue to be disenfranchised. The public waning confidence in how the Secretary of State maintains the voting list on a major reason for diminished voter participation. Do not bother passing this bill. It is disingenuous.

Also, repeal the legislation that permits inactive voters to remain listed for ten years. The old standard of missing two presidential elections, or five years, is quite adequate.

I repeat, Do Not Pass SB 27.
