

Submitter: Leslie Popoff

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Please vote against HB 3501. This will only cause more congestion and conflict in public spaces, and further flight of business and consumer traffic from areas that need both. The first problem to address is the mental health crisis which has precipitated much of the housing/homelessness crisis. Again, please vote AGAINST HB 3501.
