

Submitter: Samuel Servey

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Talk about a major step in the wrong direction. The people of Portland want our city back. "Directing those in need to available resources" is a major waste of time and money. Any homeless individual who is seeking help knows how to find it. People choose to be homeless because we make it so easy for them they'd be stupid not to.
