

Submitter: Ryan Coffman

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

How dare you put this forward. Oregon has been inundated with homeless camps and at a time when we are trying to get them under control you propose something like this that would inevitable reverse much of the progress that has been made. I'd like to see our officials leading city cleanups every weekend until the disaster you have created in our beautiful state is fixed.
