Measure: HB3501

I feel having safe rest law us not a good idea. My reasons are the homeless camp in of my house they dedicate and urinate my grandkids get harassed it not safe to walk down the sidewalks I use a cane and I can't pass because the sidewalks are cluttered with garbage or feces urine needles. Their dogs are dangerous they bark or attack or charge at home owners. On numerous occasions I have got homeless from homeless camps trying to come into my house or my cars please don't let this law go threw.
