Measure: HB3501

What about Portland, Seattle, that our state legislators do not understand?! How many businesses throughout my beloved State have to be destroyed? Having spent over 16 years as the mayor of Gold Beach, Oregon, I know that the fundamental duty of government is to protect its citizens and their property. This bill is in direct opposition to those goals. If passed this will end in a disaster for many. Therefore, I most strongly urge you to defeat this bill. Thank you.
