On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

After wasting hundreds of thousands of tax payer dollars on homeless without ANY evidence of success this is an insane idea that will only serve to a) deplete tax payers of more income b) not help the homeless at all - in fact it will hurt them in the short and long run and c) infuriate voters and the public even more with Salem and its ridiculous policies.

**OPPOSE!**
