

Submitter: Andrew Robson

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill is absolutely outrageous. Oregon does not have a homeless problem, we have a drug addiction problem. Allowing addicts to camp in public and use drugs openly is not only a public safety issue, but a gross act of pathologically compassionate behavior by our government to help addicts no matter the consequences. Camping in public is illegal for a reason, let's keep it that way.
