

Submitter: John Taylor

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is insanity, we have a public library in Eugene that has opened camping in front of it. It has turned into an open air drug market, I do not feel safe taking my kid to the library anymore, don't do this to the parks too! Last time we had to walk near needles and piles of human feces. This is unacceptable. Do not do this!
