

Submitter: A S

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

this is a terrible idea that will make parks inaccessible, sidewalks unwalkable, and our city inhospitable to taxpayers. we are already paying so much for supportive housing services, for rental assistance, and eviction protections. please, please do not go through with this. there are already entire streets that we cannot walk or even drive through, enabling the unhoused to camp anywhere without consequence will make this city unlivable for the rest of us.
