

Submitter: John E

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is not a solution. There are services in place all ready to offer shelter. How about a real solution like let the homeless be responsible for their own decisions and let the police do their job. Make the punishment for illegal camping and littering at will some prison time, and public service work. Maybe then this mess will begin to be addressed.
