

Submitter: Jeff Harrison

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Please DO NOT PASS HB3501.

This will only make a bad situation worse. Please stop enabling. This would be a clear step backwards.

Please don't continue to allow/encourage the further destruction of the once-great city of Portland. Urban camping should be illegal. Public spaces are not for camping. The trash, feces, needles, etc. are a health hazard and erode the usability of our downtown for the general public.
