Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is the exact opposite of what Portland, and the entire State, should be doing. What is wrong with you people? You have destroyed all things good about Portland and most of the state, and just keep doubling down on this enabling/death policy. You're not helping anyone but addicts and thugs who most don't vote, don't pay taxes, DEFINITELY don't work at the expense of working families. You should be working every day, all day, to reverse this disaster. I'm a life long Democrat, but clearly it is time to see what Reoublicans can do. How is this even a bill???? You're all litteraly insane.
