

Submitter: Kimberlee Bishop

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I completely disagree with the bill. If you have driven anywhere in our state since Covid and have seen the trash piled up on the side of the road or in our parks from these houseless individuals. You know we can't let our legislator do this. This will push businesses and people out of this state. People need to get back to work, not be given more reason to do nothing but pan handle for their next fix.
