

Submitter: James Schultz

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is not a well thought out bill and should not be passed. We should be working to move the houseless to stable and safe housing NOT PROMOTING LIVING IN TENTS! Please think of the impact this bill would have on and state authorities to preserve safety for all community residents. Once again we have a few elected representatives advocating compassion by enabling dysfunctional policy.
