

Submitter: Ruth Alexander

On Behalf Of: myself

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Please do not inflict another blow to the homeowners and renters of this area. There are already so many businesses closing and people affected by the city and counties inability to deal with the issue. We as a tax base are already taxed at a higher rate than any other state, do you as a legislative body really want to lose that base? This might be that last straw.
