

Submitter: Susan Donohoe

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Portland is overrun with tents already. Decriminalizing public camping would do to the rest of the state what has already happened to Portland. People who are poor would flock to Oregon because they could live in their RVs, tents, and trailers without paying taxes, and would expect public services. This is possibly the worst idea next to decriminalizing drugs...we can see how that turned out: overdoses and crime have skyrocketed!
