Measure: HB3501

I 100% oppose this bill! Absolutely not!!! I have lived in close-in NE Portland for more than 40 years. Allowing people to camp wherever they want is NOT a solution! The unsanctioned camping that has been allowed to go on for the past few years has eroded the safety and livability of this town. It is driving hardworking, tax paying community members out of this town! Allowing people the right to camp wherever they want is not a sustainable solution. Please oppose this bill!!
