Measure: HB3501

I'm finding it hard to believe this bill was submitted with any serious intent, but that's Oregon Dems for ya (and I still identify as one of the party). My block has been a constant halfway house of derelict RVs, drug sales, gun violence, and garbage heaps. There was one effective sweep - right before election time. Maybe because we're in Tina Koteks's former leg. district? Anyway, leave us that ray of hope that when she runs again in 4 years it'll get cleaned up again. I just bled out a couple grand in homeless services taxes to enjoy this chaos. This bill serves no-one. Not the homeless, not the rest of us. Abso-fucking-loutely NO.
