

Submitter: Kristy Wolff

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I strongly oppose any more measures including the Right to Rest bill that enable camping or houseless persons to camp any more in Portland or Oregon. Our city is in peril. This is not what tax payers want. Allowing camping with zero resources to help these people is a performative bill, just like 110 was. Focus on opening housing, rehab, and mental institutions. This is not the answer.
