Committee: House Committee On Housing and Homelessness

Measure: HB3501

Dear Leaders,

I strongly oppose this bill and SB603 as these ideas will only make these worse by fueling more public squatting, drug use and overdose death. Pham and Chaichi should be ashamed and removed from office. This is exactly the wrong direction we need to go. Please stop these terrible ideas that have already created this crisis and start expecting more from our citizens. Recovery first.

Thanks,
