

Submitter: Susan Walters

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I oppose this Right to Rest act. This is how we got to this place. By continuing this acceptance of camping anywhere, you are enabling people. This is such a problem when free tents are given, old tents are just left as trash. In the 5 years I have lived here, it has become a disgusting mess and this new Act will make it worse if that is even possible. Please do not pass this.
