Committee: House Committee On Housing and Homelessness

Measure: HB3501

I must apologize ahead of time because the word NO is just not sufficient or hard enough to express the sheer stupidity and insanity of this idea. HELL NO ARE YOU COMPLETELY INSANE??!!!! These people are not homeless, they are exactly where they want to be! These people are already entitled enough and only want to be able to do whatever they want, whenever and however they want without obeying any rules. This included crime,vandalism,drug use/sales or just living and pooping on the sidewalk. Are you trying to kill this once beautiful state? This bill would be not only the death of portland, but the death of the entire state. I will close my business and leave the state if this happens. Now I have a new mission in life and that is to find who sponsored this bill and ANYONE that supports it to make sure they NEVER hold public office again. We do not need politicians this insanely detached from reality!
