

Submitter: Christopher Benware

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Cities are not campgrounds. There are campers surrounding my home, lots of garbage, abandoned vehicles, blatant drug use and paraphanellia littering the ground where my children walk and play. Legalizing camping will only embolden this activity and entitlement. I work hard and pay lots of taxes to live in a clean and safe city. I oppose this legislation.
