

Submitter: Andrew Venegas

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is a dangerous bill. My family, like so many others, left California in large part due to policies like these that were put into place with the best intentions. This policy will make public areas unsafe for families, will destroy businesses, and further the addiction and hopelessness that this policy is trying to address. I strongly advocate against passage of this bill.
