

Submitter: Emily Quinn

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Tents are ruining the public space in our community. I believe everyone has a right to housing, but we need to establish areas where that is appropriate. The City of Portland is suffering because of the garbage and unsightliness these camps create. Please find appropriate locations for "camps" so that everyone can enjoy the public spaces in our area. I oppose this measure.
