Measure: HB3501

As a business owner and home owner I have seen our cities destroyed. I have been broken into 4 times in the last 2 years with over 40,000 of damage to my property. I have had to clean up human feces as well as garbage on a regular basis. I consider moving my business and home residence on a daily basis and taking my successful business out of state where safe streets exist. I strongly oppose this bill.
