On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

We moved to Oregon eight years ago and cannot believe the downfall we've seen in that time. Every "attempt" to provide relief to the homeless and the in no act on Oregon citizens has only made things worse. These people are not getting the help they need, new generations are falling into homelessness and the citizens of Oregon continue to watch out cities get destroyed and wasted tax dollars.
