Committee: House Committee On Rules  
Measure: SB585

As a PCP, I am opposed to this bill.

This bill as written has potential to further weaken our voting rights and the election system in Oregon. It will weaken our party integrity. This also seems hard to verify and may allow other existing citizens to not have to qualify as everyone else in order to become a PCP, whether they fall into one of these categories or not. It is an unnecessary rule change that serves no purpose but to cause division within the parties and create more complicated rules.

What is the purpose of this bill? It seems nefarious on its face. PCPs are the grassroots of the parties, and as such they need to fully embrace their party platform and understand the significance of their roles. New US Citizens need to follow the same rules as any other US Citizen, and I see no reason for this bill.

Please vote no on this bill.

Thank you.

Sincerely,

Jane Herb
