

Submitter: Gail Lesko

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Please do NOT allow this to happen!! Our streets, public lands, etc will become one big garbage heap!!! They stack stuff all rounds there tents, campers, etc. and we TAX PAYERS will be forced to look at this and put up with it!! AND if there are any comments made, the homeless get paid \$1000.00 dollars!!! Who is going to monitor that "he said, he/she said!!" They'll end up making a lot of money without working, and not paying taxes!! Why are you forcing this down law abiding, hard working peoples throats!!! We are where we are at because of our hard work!! I was raised in a family of 7, my parents worked, but we were not rich by any means, no indoor plumbing till I was 12, I'm 72 now. My husband comes from the same background, but our parents taught us about working hard and making your own way, therefore we did, nothing was handed to us, we WORKED for it!!

Also, our cities will be over run by homeless dogs, fire hazards, especially on the public lands, and how many tax payers homes will be burned down, will THEY pay for that???? NO!!!

The more you HAND OUT to people. THE MORE THEY WILL TAKE AND EXPECT!!! CUT IT OUT!!! The fastest way out of office is to push this bill thru!!!

Gail Lesko
