

Submitter: David Medford

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB2098

I support replacing this bridge, but oppose HB-2098-2 because this legislation as currently written , jeopardizes a right-sized Bridge Replacement , right now . I support the forthcoming -3 Amendment (and the policy recommendations offered by the Just Crossing Alliance) that ensures this replacement bridge project moves forward smoothly with explicit , pro-labor provisions , finance guardrails , and major investments in mass transit . Thanks
