Absolutely NO!!! Ridiculous proposal! You are driving taxpayers out of the city. Help taxpayers - we can't endure more taxes! No more freebies. Either they contribute to society positively or leave! We have thrown enough money at the homeless. We can help those really seeking help. Those who want to remain homeless should leave. We can't help them anyways because they don't want help. Fix the problem, not make it easier! And stop STOP penalizing taxpayers!
