Committee: House Committee On Housing and Homelessness

Measure: HB3501

DO NOT VOTE FOR THIS BILL. Public Camping has brought Portland to its knees. Free-for-all camps already create huge problems that cities can't handle. This bill would destroy the livability of neighborhoods. Taxpayers have the right to live in safe neighborhoods, clear sidewalks and free from encampments leading to crime, trash, drug use and violence. There's no "left alone" factor. VOTE NO!
