

Submitter: Concerned Citizen

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I'm a citizen of Lane County and I strongly oppose this. The parks and recreational area should exist for taxpayers to enjoy, we pay for them. It should not be handed over to the homeless. The homeless should be given an area to exist or camp in (that is not near where our children play), and be given access to information about recovery from homelessness. The premise of this Bill is disgusting and insulting. You must take care of yourself before you take care of someone else.
