

Submitter: kathryn scafuro

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Nothing about this sounds reasonable or right.

It's as if you are just allowing the homeless situation to take over the state without doing any real work to find solutions that aren't detrimental to all citizens of the state of Oregon.

Tourism is a financial windfall for Oregon but if there are no recreation facilities and campgrounds available, because citizens are living there, don't expect visitors to come.
