

Submitter: Ayren Spinner

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I live in West Eugene, and we have a major problem with unsheltered people. I have a great deal of compassion for them, and I have a family member who is unsheltered. But I don't think unrestricted camping is the answer of them or for the rest of us.

I would support designated resting/sheltered places where we can provide them with safety and services, while keeping our streets, parks, and paths safe, clean, and hospitable to all.
