On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I and my family strongly oppose this measure.

ENOUGH with enabling the criminals and drug addicts terrorizing our neighborhood streets, our local small businesses and our ONCE beautiful city.

This has GOT to end. NO MORE enabling this behavior.

For the people that truly need help, prioritize treatment and mental health solutions!

We are watching our city disintegrate in REAL TIME.

We cannot stand by and let it become the next Detroit.
