

Submitter: JAMES BEAUCHEMIN

On Behalf Of:

Committee: Senate Committee On Rules

Measure: SJR33

Members of the Senate Committee On Rules,

I am opposed to the provisions in SJR 33 and do not want them or any similar changes put forward to change Oregon's Constitution. Rather, we need to preserve human life whenever possible, especially of those most vulnerable. Thank you for this opportunity to comment.

A concerned citizen,
James Beauchemin
