Committee: House Committee On Housing and Homelessness

Measure: HB3501

I strongly oppose HB 3501 allowing tent cities and homeless camping to be permanently legal in cities throughout Oregon.

And I oppose SB 603 which would give homeless people \$1000 a month. Both proposals are terrible public policy and go the wrong direction Oregon should be going in order to address and end unsheltered homelessness.

I strongly request that you vote against both of these legislative proposals. They are flawed and misguided approach to homeless policy in Oregon. We should be ending inhumane, dangerous public camping – not enabling it.

Please oppose HB 3501 and SB 603 – they are bad for Oregon.
