

Submitter: Kerry Politzer
On Behalf Of:
Committee: Senate Committee On Education
Measure: HB3204

Thank you for the opportunity to voice my support for House Bill 3204 A.

I'm the parent of two students who were enrolled at Gresham's Metro East Web Academy over the pandemic. The opportunity was very meaningful for my family and effective for my children. It is important that Oregon families have this excellent educational option.

Please pass House Bill 3204 A so that more families have access to a virtual public school option.

Thank you for listening.
