Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill will make the homeless problem in Portland worse. A majority of the crime in Portland is committed by the homeless. This bill will assist them in getting away with more crime. This bill is not supported by the majority of Oregonians. It will make Oregon a worse place to live. Because of the homeless, this state is decaying. Tax paying citizens, the people who pay your checks, will leave.
