

Submitter: Luis Solis
On Behalf Of: Solis Family and Portland in General
Committee: House Committee On Housing and Homelessness
Measure: HB3501

Please do not pass this bill. This is ridiculously oversighted, and will only continue the blight that has permeated our great City.

This does not truly support residents with no homes. This enables them to live in squalor, do hard drugs with no oversight, and present a clear danger to themselves and the community.
