

Submitter: Timothy Larsen

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I am disappointed to see this bill proposed in our legislature. Allowing camping on public land will not help alleviate the hardship of those experiencing homelessness. This bill is evidence that some of those with political power want people to live in squalor. We need housing, mental health treatment, and addiction services to help the most vulnerable in our society.
