On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

PLEASE protect our public spaces. Our beautiful state and its public spaces should be enjoyed by all Oregonians. Allowing the destruction of these areas is unacceptable and is NOT an answer to the complex problem of homelessness. We must not enable the destruction of our public areas in the name of compassion. This is not a solution and will only contribute to the worsening problem. Vote NO!
