

Submitter: Luz Steege

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I would like to be able to live in a safe place, having homeless camps around the city is very depressing and it is unhealthy for mental health, it is also unsafe for the people in the camps and for the people around, you do not know what to expect from either side.

Please do not pass this measure.

Thanks
